

SafeGen
2023 Youth Workplace Safety Video Contest
VIDEO CONTEST FAQs

1. Where will my video be shown?

If selected, your video may be shown in the following places:

- The SafeGen social media channels
- Health and safety related conferences
- As supporting material for our JobSafe program

2. How long should my video be?

Your video should be no more than two minutes in length.

3. How do I submit my video?

Upload your video to your YouTube account/channel. Then, fill out the online video submission form [here](#).

Entries must be received at or before 4:00pm on May 17, 2023

4. Do I need permission to film people and places?

Yes! We need consent for anyone appearing in the video, and if they are under 18, a parent or guardian's consent. Please attach the consent form (included in the registration package) and send it in with your entry.

5. If my video isn't a winner, what will you do with it?

We may still use your video for content in our JobSafe program or on our social media channels.

6. Should I depict people being injured in my video?

You certainly can, but it **MUST** be filmed in a safe way without causing actual injuries.

7. When will the winners be chosen?

Winners will be chosen and prizes awarded before June 1, 2023.
